I may have Dementia?

This leaflet is for

Your carers have noticed that you are not quite yourself at the moment. You may be having problems remembering things or not being able to do the things you normally do.

You could have an illness called Dementia.

Insert team base sticker here

The Learning Disability Team would like to see how we can help you.

This leaflet tells you what happens when you have this assessment..

What happens in this assessment?

Insert staff picture here

..... will talk to you about the assessment and ask you some questions.

Your doctor will see you for a health check.

Insert staff picture here

..... will talk to the people who know you well.

.... months later will come back and ask your carer the questions again. This helps us to see if things have changed.

Sometimes we need to do more assessments. If this happens we will talk to you about what we need to do and give you more information.
