My name is .....

My job is a clinical psychologist.

This means I talk to people about how they are feeling.

**Angry**

**Scared**

**Sad**

**Upset**

**Worried**

You can come and talk to me about how you feel and I will listen to you.

I will talk to you about where you would like to meet me for your appointment.

- You can come to Eastway.

- I can come to your day service.

I will make sure that the room I see you in is private and quiet.

Your appointment will be for .....

You can tell me if this is too long when we meet.
