An easy read leaflet about hate crime and what to do about it.

What is a hate crime?

A hate crime is when a person or people harm you or your property because you are different.

This may be because you:

- have a disability
- come from a minority race
- have a different religion
- are gay or a lesbian
- are transgender

Hate crime may be when someone:

Bullies or frightens you

Damages your property

Takes your property

Calls you names

Hurts you

What can you do?

There are lots of ways that you can report hate crime.

Tell someone you trust who can help

Tell the police

Tell the police in person

Telephone the police on

Email the police at
