production **July 2018** and is due for review in **July 2020**

Leaflet code: E-LDM-08-150

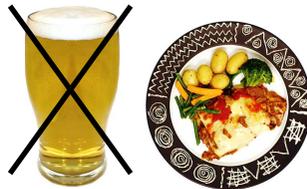

My name:

This is your leaflet with information about your medication and tablets.

The leaflet tells you:

- The name of your medication
- Why you are taking your medication
- When to take your medication
- Important things to remember when taking your medication.

Sometimes people can feel unwell when they take medication. They can feel sick, dizzy, sleepy or very thirsty.

It is really important to tell the staff if you feel unwell when you take your medication.
