Service transformation

Our aims

To achieve our ambition, the Trust has 7 strategic objectives which underpin and drive our vision:

- Deliver high quality, integrated and innovative services that improve outcomes.
- Ensure meaningful involvement of service users, carers, staff and the wider community.
- Be a model employer and have a caring, competent and motivated workforce.
- Maintain and develop robust partnerships with existing and potential new stakeholders.
- Improve quality of information to improve service delivery, evaluation and planning.
- Sustain financial viability and deliver value for money.
- Be recognised as an open, progressive organisation that is about care, well-being and partnership.
