This leaflet tells you some things you can do everyday to help you feel good

Mental health is part of being healthy.

Mental health is about how we feel inside.

Sometimes we feel good.

When we feel good we feel happy and relaxed.

Sometimes we do not feel good.

When we do not feel good we feel sad or worried or anxious.

There are things you can do to help you feel good.

Taking care of yourself can help you feel good.
Ask your carer or staff to help you.

Eat healthy food.

Have fruit and vegetables with every meal.

Do some exercise every day.

You could go for a walk outside.
Fresh air is very good for you.

Do not drink too much alcohol.

Do not smoke.

Have a shower or a bath every day.

Choose clean clothes to put on every day.

Try not to sleep too much during the day.
This will help you to sleep better at night.

Try to have a good sleep every night.

Go to your doctor regularly for a check up.

Ask your doctor to check your tablets.
