

Child Patient Passport Consent Form

A patient passport can help you and your child when your child comes to the hospital.
It will tell the doctors and nurses important information about your child and the help that they need when they go to the hospital.

The patient passport is for your child.

To make a patient passport

- I will talk to your child if possible and to you.
- You and your child can tell me what is important to you.

I will only talk to other people if you or your child tell me that it is okay.
