Patient Passport Consent Form

A patient passport can help you when you go to the hospital.

It will tell the doctors and nurses important information about you and the help that you need when you go to the hospital.

Your patient passport is for you.

To make your patient passport

- I will talk to you.
- You can tell me what is important to you.
- I will talk to people who support you.

I will only talk to other people if you tell me that it is okay.

The people I am happy for you to talk to

Other people can have a copy of your patient passport if you say this is okay.
