Who can be a member?

Anyone aged 11 years old and over who has an interest in the work of CWP can become a member of the trust.

Our aim is to get as many people as possible who use CWP services, their carers and families, to join us as a member.

This will help make sure a variety of voices are heard and involved in our services.

How involved can I get?

We appreciate that all of our members are different and will want to have different levels of involvement with our Trust.

How involved you become is completely up to you.

How to join

All you have to do to become a member is complete an application form.

If you would like to speak to someone about becoming a member or for support with the form, please contact a member of the team on the contact details on the back of this leaflet.
